

About the Distinguished Donors Society

Contributions to the Annual Campaign provide the financial resources needed to enable the Uniform Law Commission to maintain its high standards of excellence and to advance its important work developing uniform and model laws

Donors who support the Annual Campaign with lifetime cumulative contributions of \$10,000 or more become honored members of the Distinguished Donors Society.

The Foundation recognizes Distinguished Donor Society members and other significant cumulative contributions by permanent identification on the donor wall installed in the ULC offices in December 2012.

The installation includes a cast bronze tree with multi-colored leaves and stepping stones which denote different levels of giving. The tree is designed to grow along with the corpus of the Foundation and continue to recognize donors' generous contributions in perpetuity. The donor tree is located in the reception area of the ULC offices and will visibly acknowledge those who have supported the Foundation over the years.

Levels of Giving:

- \$10,000 - \$14,999 - Copper Leaf
- \$15,000 - \$19,999 - Bronze Leaf
- \$20,000 - \$24,999 - Silver Leaf
- \$25,000 + - Gold Leaf
- \$50,000 + - Stepping Stone
